

Attached please find a preliminary agenda for the Network Customer Meeting on Friday, May 16 at ATC's Corporate Office in Waukesha. Note that the time has been expanded. The meeting will begin at 8:30am instead of 9:00am and will adjourn at 3:00pm rather than 2:00pm.

We are in the process of finalizing the agenda and are working with representatives of MISO to solidify that segment of the agenda. As details are available, a revised agenda will be sent. If you have any comments or suggestions about the agenda, please feel free to contact Terry Peterson at [tpeterson@atcllc.com](mailto:tpeterson@atcllc.com).

We look forward to seeing you on May 16.
