

Helping to keep the lights on,  
businesses running  
and communities strong®

## Request ATC support of COVID-19 relief effort

American Transmission Co. is powering through these trying times by helping to keep the lights on, businesses running and communities strong.

For communities we serve, we are supporting organizations and causes that are lending a hand to those in need during the COVID-19 pandemic. We have committed \$150,000 in funds, and already have provided support to the American Red Cross-Wisconsin, food pantries, meals on wheels services, United Way and more.

If you have a donation request for ATC to consider, please complete the following form. We will consider opportunities in ATC's service areas in Wisconsin and Upper Michigan that are helping our community members weather this storm. Please email completed form to: [tgarthus@atcllc.com](mailto:tgarthus@atcllc.com).
